When RNnetwork arranges housing for you, there are some key things to keep in mind so that everything goes smoothly.

- Most move-in times are after 3 pm. Refer to your housing confirmation or contact your housing coordinator for the specifics.
- It is important to complete the move-in inspection form as soon as you arrive. This will ensure you aren’t charged for any pre-existing issues when you vacate the rental.
- Read housing confirmation, which includes move-in details and information about applicable deductions.
- If you’re staying at a hotel arranged by RNnetwork, you will need a credit card to check in to your room.

What your rental includes.

Each RNnetwork rental is different, but all housing includes at minimum the following items. If your apartment is pre-furnished, these items may vary. Check with your recruiter for more details.

**Living area:**
- Sofa or loveseat
- Coffee table
- End table
- TV with stand
- Lamp
- Dinette table and chairs

**Bedroom:**
- Queen bed
- Dresser

What you should bring.

Most RNnetwork rentals will not include these items, so you should bring them with you.

- Vacuum cleaner
- Iron and ironing board
- Sheets, pillows, and blankets
- Shower curtain, bathmat, and towels
- Wastebaskets
- Cooking and eating utensils
- Lightbulbs, cleaning supplies, paper products, and trash bags
